## **Special Events:**

### **"Imagining Our Future"**

**Saturday, March 6, 10:00 a.m. – noon & Monday, March 8, 7:00 - 9:00 p.m.**

Who are we & what do we want to be? Come and connect with other members as we talk about our values and what we want for our children, young adults, parents, senior citizens, and all members in-between. We need to imagine our future before we can create it. Come to one of the two meetings which will be led by Gene Ruckle, an organizational consultant who has done extensive work with NTAUUS, First Unitarian - Dallas, and facilitated this year's Board retreat. Those of us who have worked with Gene have found the experience to be both fun and very positive.

Please join us to: share your experiences; define our core values; declare your hopes and dreams; and then design our ideal future.

Refreshments will be provided. Child care available on Saturday (March 6) morning
